Resolution.—Approved.

Proceedings of the Market Prize Committee.

3. Read—Proceedings of the Market Prize Committee and the list of prizes awarded on the morning of the 24th December 1880 :—

Bangalore, 8th December 1880.

The Market Prize Committee assembled this morning at 7-30 A. M., agreeably to notice.

President.

Doctor J. H. ORR, C. B. Present.

Present.—G. G. Brown, Esq.
J. Ramaiya Naidu, Esq.
Abdul Husen Saib, Esq.
A. R. Sabhapati Modaliar, Esq.

Absent.—Captain D. J. S. McLeoad.
R. P. Campbell, Esq.
Standish Lee, Esq.

The Committee having carefully gone through and examined the Market Serjeant's books find that the highest number of marks have been obtained by the following parties :—

BEEF MARKET.—No. 10, *Rasul Saib*, they find, has obtained 712 marks against 715½ the highest number of last year, they adjudge him therefore the 1st prize. *No.* 1, *Ummar Saib*, has obtained 632 marks against 598 last year, 2nd prize.—3rd prize to No. 6 Abdul Sattar he having obtained 401 marks.

The total number of marks obtained by the parties to whom prizes have been awarded are thus shown to have amounted to 1,745 against 1,715½ last year, which fact taken in connection with the circumstances that much fewer bullocks have been slaughtered during the present year, goes to show that a better description of animal has during this period been offered for sale in our market to the public.

MUTTON MARKET.—The Committee find that *Balaji Rao*, No. 113, has obtained 2,225 marks against 1,779 by the same party last year and they adjudge to him therefore the 1st prize.

The 2nd prize they adjudge to *Nannubhayi*, Stall No. 51, he having obtained 1,644 marks against 1,773 last year.

Budan Saib, No. 106, has obtained the 3rd, highest number of marks, *viz.*, 809, which is about ½rd of the number obtained by Balaji and less than half of those obtained by Nannubhayi; the Committee do not consider therefore that this man is entitled to a money prize.

FRESH WATER FISH.—The Committee consider that there has not been sufficient competition among the dealers in fresh water fish to justify them in giving a prize to any one of these parties, but they would suggest that a prize be offered next year to the vendors of sea fish to whoever keeps up the best and most steadily maintained supply.

EGGS.—1*st prize Arokyam* Stall No. 2 she having obtained the highest number of marks, *viz.* 1,679.

2*nd prize to Ramaiya* Stall No. 3 he having obtained the next highest number, *viz.* 1,299.

ENGLISH VEGETABLES.—1*st prize to Kullappa* Stall No. 10 with 395 marks against 404 by the same party last year.

2*nd prize to Pullappa* Stall No. 9, with 322¾ marks against 288 last year.

FRUIT STALLS.—1*st prize to Erappa*, Stall No. 49, with marks 332.

2*nd prize to Gurappa*, Stall No. 38, with marks 291.

COUNTRY VEGETABLES.—1*st prize Biramma* Stall No. 12, with marks 350 against 345¾ last year.

2*nd prize to Rangamma*, Stall No. 1, with marks 328 against 311½ last year.

POULTRY.—1*st prize to Chelvam* Stall No. 1, with marks 948 against 1,064½ last year.

2*nd prize to Kempa*, Stall No. 18, with 852½ marks against 986½ last year.

The Committee are of opinion that the figures now before them show that the markets have been well supplied during the year and that there has been a healthy competition among the several vendors, the results of which must be beneficial to the general public. The general arrangements of the market have also they consider been satisfactorily carried out.

As a sum of Rs. 10 remains unappropriated, they would recommend that this amount be given to the vendor of the best beef and mutton exhibited on the morning of the Show.

Administration of the Cantonment.

6. Read—Letter from Mr. Leonard, Municipal Commissioner, No. 5 Division, suggesting that steps should be taken at the next ordinary meeting of the Commissioners to elicit an expression of opinion from the Chief Commissioner as to the manner in which it is intended to carry out the Municipal administration of the Cantonment consequent on the approaching administrative changes in the Province.

Mr. Leonard's letter suggesting that steps should be taken at the next ordinary meeting of the Commissioners to elicit an expression of opinion from the Chief Commissioner as to the manner in which it is intended to carry out the Municipal administration of the Cantonment consequent on the approaching administrative changes in the Province having been read, the President observed that he had been informed by Mr. Gordon that it was intended to revert to the former system under which the Cantonment Magistrate was also by virtue of his office to be President of the Municipal Board ; he further explained the circumstances which led to the adoption of the present system of Municipal administration and read to the meeting an extract from the Proceedings of a meeting of the Board held on the 10th February 1870.

Mr. R. P. Campbell and other Commissioners, both European and Native, deprecated the change now proposed and which seemed to be regarded by all as a retrograde step and one that would prove injurious to the interests of the Municipality. After some further discussion the following resolution having been proposed by Mr. Leonard and seconded by Mr. Standish Lee was finally put to the meeting and unanimously agreed to.

Resolution.—That a Committee be nominated to sit at once for the purpose of drawing up a representation to the Chief Commissioner expressing the views of the Board on the changes now proposed to be introduced into the administration of the Cantonment Municipality and that the Committee wait personally on Mr. Gordon as a deputation from the Commissioners to explain further their views and sentiments. The following Commissioners were nominated to form the Committee :—
